

Friends and Family 2019

Each year, the NBHS Band does a mailing to relatives and friends from all of the country. We share information about the program and ask if they would sponsor the band. Marching band and color guard students should use this sheet to provide names and addresses.

Please write in the names and addresses of family members or friends that you think would support our cause!

50% of the sponsorship will be applied directly to the student's account and the remainder in the band's general fund to help with the band's costs. This is very easy and no cost or extra work on your end!

Please complete this by July 31
