Mission Statement

The students of the New Bern High School band program will learn valuable life skills enabling them to develop as comprehensive musicians and responsible citizens through the medium of the performing arts.

Vision Statement

The New Bern High School Band Program will be a model of excellence at the regional, state, and national levels.

Welcome

Thank you for making the commitment to one of the most preeminent organizations on the campus of New Bern High School. Being a part of this program will bring about many enjoyable experiences and friendships. Although a major commitment, students from years past can attest to the enduring joys of experiencing band.

In order for you to get the most of this experience, we have put together a handbook that outlines general information and expectations for all parents and students involved in the New Bern High School band program. The rules established here are supplemented by those established by the school administration.

It is my hope that you find this to be positive experience that you will carry with you for many years to come. If you have further questions, please feel free to contact me at any time.

3. Official Band Website and Social Media

The band has an official website at www.newbernbands.org. Please visit this site to check out announcements and keep track of events. You may also make payments online and access important documents.

The band also has a Facebook page that is used for news updates. Visit and join the **New Bern High School Band** page to stay posted. The Instagram for the NBHS band is *newbernhband*

4. CHARMS Office Assistant

The band uses a special server called CHARMS that keeps track of all money owed and money collected. This site is available for access to all New Bern High Band students. CHARMS also makes it easy to keep track of various forms that are due to the band and even features a calendar displaying all activities and events. [See here for more information.](#)

5. Costs/Assessments

The band program does not receive a lot of funds from the school system. Most of it is self-funded. Therefore, there are some personal assessments that are needed to provide students with a well-rounded musical experience. These vary depending on ensemble. There are many fundraiser opportunities available to offset and pay down the costs of assessments and major trips. It is possible to not pay anything out of pocket.

It is the philosophy of the program that no student will be denied an opportunity to participate due to financial reasons. Please communicate with Mr. Elbing or Ms. Graham regarding concerns.

A. Marching Band: \$425.00-\$500.00 TBD

This is broken down into several small payments: 5-6 monthly payments of approximately \$70-85 on the last weekday of each month from July to December. This cost change may change is year and is based on anticipated expense for the upcoming season. This assessment helps to pay for drill, music, instruction, the show shirt, travel, and uniform maintenance. **This cost does not include other items** such as shoes, lyres, reeds, folders, etc. In addition, overnight trips are not included and will be added on as needed. Shoes (approx. \$35) must be paid at the beginning of band camp in order to be ordered in timely manner.

All fees are non-refundable. Students that are removed from or quit marching band will still be held responsible for all fees.

B. Spring Ensembles: *Varies*

There is a purchase of concert attire that for most families is a one-time cost. If students outgrow their uniforms, they must replace them. This is usually about \$80.00-89.00.

C. Spring Trip: *Varies*

Every once in a while, the band will travel to another city or state for a festival. This cost varies depending on the location.

6. Fundraising and Student Accounts

Fundraisers will be available throughout the year to help pay off certain band related expenses. These are credits and not monetary funds. The credits will vary depending on the fundraiser.

Not all fundraisers will provide any credits and will go strictly into the general fund. Some go towards helping the band function. All members are part of the band and it is their duty to make sure that it is well funded to continue to enjoy the same benefits year after year. All fundraisers are mandatory.

All profits that are credited to a student through fundraising will be put into an account under that student's name in CHARMS. This account will be used to pay off any band related expenses on the student's behalf. Credits can be raised up to the amount owed. At the end of the year, all credits are wiped out and put into the general fund to comply with IRS tax laws. **Current year credits cannot be used towards payments for the next school year.**

Families may wish to transfer extra credits towards financial aid scholarships for students who have difficulty meeting the financial requirement of the New Bern High School Band program.

7. Volunteering

Volunteers are vital to the success of the band program! There is a great need for parents in all different roles, such as chaperoning, sewing, moving and/or building props, trailer pulling, photography and media, etc. This is a great way to get involved and play a crucial role for your child and the band program. Even if you don't feel like you have anything to contribute, we can find something for you! Volunteers will need to go through a Craven County Schools background check.

8. Honors Band Credit

Students have the opportunity to receive honors credit for any band class. In order to be eligible, students must take a 100-question music theory test and perform their appropriate All-District Scales and Solo. Fall students should use the previous year's material. Students who are put into an honors section will be eligible to receive this status for all of their band courses and keep it unless they take a break in between semesters or do not meet expectations, such as maintaining the necessary theory grade or meeting performance requirements. Honors students will have extra requirements to fulfil in order to justify placement (such as additional scales, performances, listening assignments, projects, etc.). Participation in All-District Auditions and Solo/Ensemble MPA is expected. **Students must maintain an "A" average each semester** of band in order to maintain Honors credit or they will need to redo the audition process.

NBHS BAND RULES, POLICIES, AND GUIDELINES

The expectations for the band can be summed up with the acronym **C.A.R.E**

Communicate

Attend all rehearsals and performance

Respect property and each other

Execute rehearsal procedures.

1. Communication

The band office has an open-door policy. Parents and students may contact Mr. Elbing about issues and questions. The band also has many methods of communicating with members: band page, Facebook, email, and sometimes even texts. If there is still some confusion, contact Mr. Elbing or another experienced band parent.

Major itineraries are sent out via email and handed out to students no later than the Tuesday prior to the event. If you do not receive anything, please ask!

2. Rehearsal Expectations

In order to get the most out of the experience of participating in a successful band program, students must hold a high level of pride in what they are doing. In order to ensure success, all students must know and commit to practicing proper rehearsal etiquette.

1. Each student is expected to arrive before schedule. Communicate about athletic and club conflicts in advance. Please be aware that these will not be excused without prior notice.
2. Music, instruments, and materials should be at all rehearsals and performances.
3. Respect all instructors, whether on the podium or not.
4. School owned instruments should be treated like gold.
5. Look at whoever is speaking and raise your hand if you have any questions.
6. Come prepared with the appropriate attire and equipment.

There will be physical conditioning in marching band to prepare students for the rigors of marching and playing. Students with physical issues should communicate about any possible issues beforehand so that alternate exercises can be given.

3. Facilities and Equipment

It is important to keep the facilities clean and free of trash and safety hazards. No food or drinks are allowed in the band room. The only exception is bottled water. **Any offense will lead to 30 minutes after school detention.**

Please respect all equipment. Put everything back where you received it. Please note that percussion instruments are not tables.

4. Instrument and Equipment Usage

All students are expected to have their own instruments. The band does provide larger instruments and specific marching equipment such as French Horns, Bass Clarinets, Bassoons, Tenor and Baritone Saxophones, Euphoniums, Tubas, and marching percussion. Flags and guard equipment are usually provided as well.

Parents and students must sign an instrumental usage contract. While the band will take care of normal maintenance, families are responsible for any damage incurred that is not due to normal wear and tear of the instrument.

5. Grading Policy

The band will be graded in the areas of Attendance, Participation, Playing Assessments, and Written Quizzes/Assessments.

A. Attendance

For concert band: All scheduled afternoon sectionals and rehearsals are mandatory.

For marching band: Please see the section regarding attendance in the Marching Band Section. Unexcused absences will result in a lowering of the final grade by one letter grade. Three tardies equal an unexcused absence.

B. Participation/Preparation-30%

Students will be graded on the quality of effort put into preparation and behavior. Students must learn to take orders and to respect authority (real-life skills). Having a negative attitude and being disrespectful will lead to a lower grade. It is important to always maintain high standards and a positive attitude.

All students begin the day with 20 points. Talking, tardiness, and not participating in general will result in a deduction of points. **Not having classroom materials will also result in a reduction of the daily grade.**

Materials Needed

Everyone

1. Pencil
2. Music

Instrument Specific

- Flutes: Cleaning rod
- Clarinets and Saxophones: A minimum of 3 Vandoren reeds in a reed holder, free of chipping or cracks/Cork grease/Cleaning swab. **The band director reserves the right to dispose of any chipped or damaged reed any time. This hurts not only the student, but the entire ensemble.**
- All valve brass Valve oil and tuning slide grease
- Trombones: Spray bottle and trombone slide cream, as well as tuning slide grease.
- Percussion: Practice Pad and drumsticks such as Vic Firth SD1, Medium Marimba Mallets, Medium Xylophone Mallets, and Medium Timpani Mallets.

C. Playing Assessments-40%

Periodically it is necessary for students to show their mastery of musical material. Students will know in advance what they have to prepare.

D. Written Quizzes/Assessments-30%

Members of the band will learn various concepts related to performance skills, as well as music theory and historical information. Students will be tested on this information regularly.

All ensembles are performance-based ensembles. Concerts are the cumulating project of a band's work. All students are expected to attend scheduled concerts. Concerts are 25% of a student's overall grade. Students who miss a concert will be required to perform all of their music in class and will be assessed on accuracy, tone quality, articulation, and musicianship.

F. Listening Assignments/Concerts

Students must expand their concept of sound. Students will be expected to attend at least (1) live instrumental performance. Students may also be required to watch specific videos or listen to required recordings each semester.

7. Internet Etiquette

All personal websites chat rooms and messenger programs are public. Members of the New Bern High School Marching Band and Guard should represent themselves in a positive manner.

Any student who represents himself or herself as a member of the New Bern High School Marching Band or Guard online is **not allowed** to:

- Use profanity or obscene language
- Defame or slander anyone
- Send or display offensive messages or pictures
- Harass, insult, or attack others
- Post pictures or video of anyone in the Band or Colorguard without the individual's consent. Any group pictures of New Bern Marching Bears will not be posted on personal websites.
- Indecent pictures (stored even on cell phones) are illegal and can lead to felony charges.

Violation of any of these rules will result in parent contact and possible suspension from the band program. Further discipline will be taken if necessary. **Leaders** who break the Internet usage rules will be removed from their position. Please note that “cyber bullying” is a Felony Offense in the State of North Carolina.

NBHS Band students who use social media in a way that negatively reflects on the band program will be dealt with immediately and may be dismissed from the band.

Marching Band (Marching Bears)

1. Summer Band CAMP

Camp is split between two weeks. The first week starts July 18-22 9 AM – 5 PM. This week is treated as a refresher on marching techniques and basics. The next week is “Full Camp” and runs from 8 AM – 6 PM. Camp is taught by the school directors, some additional camp staff, and student leadership. Camp is required of all students in the marching band.

Approximately “seven weeks” of normal rehearsal time is crammed into the week so attendance is a must. Parent volunteers will be in attendance to help out with whatever needs may arise. Camp will end at the conclusion of the exhibition on that Friday.

2. Rehearsals

Rehearsals will be held Tuesdays, Thursdays and Fridays for August rehearsals that will run from 4-7 PM due to excessive heat and then change to only Tuesday and Thursday 3-6 PM when school starts. Guard will have Monday sectionals starting late August.

The band room may be locked to the start of rehearsal. There should be avoid playing to and from the field or on the field unless given directions to do so as there may be other events or classes in the school building. Drum majors will have authority until the director(s) and/or staff arrive to the field. Students who are not in their spot in attention at the very start of rehearsal will be considered tardy. Disciplinary actions for tardiness include, but are not limited to: extra laps, loss of 3rd quarter privilege, and/or suspension from performances.

While every effort will be made to respect the students and parents’ time, it should be understood that rehearsals may go up until the last minute (6pm). Every minute counts. In addition, students will have duties to attend to immediately after practice. Parents should expect for their students to be ready no later than 6:15pm. 6:00pm will likely not be a reasonable expectation on most days. We ask that parents continue to show patience after rehearsal. **Please allow for an additional 15 minutes for students to finish responsibilities and put away their equipment.**

3. Attendance Policy and Tardiness

Unlike most other courses, EVERY INDIVIDUAL STUDENT IS IMPORTANT TO THE SUCCESS OF THE GROUP. This is a team-oriented activity. The band calendar is prepared months in advance and outlines the entire semester and/or the year. Plan accordingly. Work, trips, and appointments on rehearsal and concert days will not be excused.

Marching band rehearsals are Tuesdays and Thursdays from 3:00 to 6:00pm from August to November. In November, the rehearsal schedule is changed to fewer rehearsals with a focus on parades.

***Open dates on the calendar are the dates to schedule appointments.**

All known absences should be put on the NBHS Absence Request form at least one week in advance. Forms are located on-line on www.newbernbands.org ([direct link](#)). Turning in a form does not ensure an excused status. Emergencies are the exception. **The band absence policy is directly related to the school policy-if the school if excuse it, the band will excuse it. WORK IS NEVER AN EXCUSE.**

Two unexcused absences from rehearsal will result in the lowering of the final grade by one letter grade. Three tardies equal an unexcused absence. Consistent absences will result in a removal from band.

Students with at least one unexcused absence in a week of a performance will not participate in that performance. Those with at least 1 unexcused tardy will sit during 3rd quarter in the football stands.

One unexcused absence or two consecutive excused absences may be grounds for removal from Marching Band performing line-up. Students who miss 2 rehearsals on a week of performance for any reason will not be allowed to perform on the field (but must still attend and perform in the stands).

Students participating in New Bern High School sporting events may be excused from rehearsals if there is a competition/game conflict. Game conflicts vs. concert performances will be handled on a case-by-case basis. Since there are only a limited number of concerts, these must be extenuating circumstances.

4. Marching Uniforms

A simple expectation regarding uniforms: *Wear it right or don't wear it all.*

A. Official Uniform

The band uniform consists of: Black gloves (provided), long black socks, marching shoes, the band show shirt (provided), marching jacket and bibbers (provided), as well as the helmet, plumes, and gauntlets (provided).

Extras gloves are \$5.00/pair and extra show shirts are \$10.00.

B. Summer Uniform

During the first couple of games and trips to competitions, students wear a "Summer Uniform." This consists of khaki shorts, the marching shoes, short black socks, and the season's band shirt.

C. Uniform Policy

1. All uniforms are kept in the band room.
2. Compression shorts and compression shirt must be worn underneath the uniform.
3. No eating of food while in uniform
4. All females: Hair should be wrapped in tight bun (sock or dance)
5. All hair must be able to fit completely into the shako properly.
6. There will be no dye-colored hair during marching season.
7. No jewelry underneath the uniform.
8. Long black socks and the marching band shoes should be worn. No sneakers.
9. Uniforms are not removed unless you are told to do so by a director.
10. Bibber straps always stay on the shoulders.
11. No caps or sunglasses while in uniform. School policy in regard to clothing is still in place. This includes band jackets.
12. No PDA in uniform.
13. After performance, students should place uniforms correctly into the storage bags. Those who have failed to do so will not be allowed to leave until this has been addressed.
14. Students are responsible for and will be charged for any damage or unexpected cleaning. Students are reminded not to eat or drink in uniform and be aware of their surroundings.
15. Band shirts or NBHS regalia must be worn when not in uniform.

D. Pre-performance Inspection

Prior to performances of the band, all band members will stand in the line-up for inspection. Any member that does not pass the inspection will not participate in the given performance and/or lose 3rd quarter privileges.

Band members will be checked for the following:

- Proper uniform (as described above)
- Cleaned, polished shoes
- Hair correctly worn. Ladies must have hair in a tight bun (sock or dance)
- Jewelry – none

The band director serves the right to remove 3rd quarter privilege and/or remove student from performance any student who does not meet uniform policy expectations.

5. Football Games and Stands Behavior

All members are expected to attend all home football games, marching band competitions, parades and scheduled events.

Percussion, Baritone, Mellophone, and Tuba students and color guard members are to come in at least 1 hour prior to call time to get ready for performance. For the brass students, this means cleaning and shining the instrument prior to performance. All other wind students are to come in at 5:30pm. Everyone should be out on the practice field in uniform at 5:45 to warm up and do any necessary run-throughs. Changes to the schedule will be announced before game day.

In the stands, it is important to remember that we represent the band program, New Bern High School, and the City of New Bern anytime that we are in the public eye. Our job is to provide morale and school spirit to our athletic program, both musically and vocally.

A. Rules regarding stand behavior (Home or Away):

1. Band members and designated chaperones only will sit in this area
2. All staff, chaperones, students, and attendees will be treated with respect at all times.
3. No cell phone usage in the stands. Cell phones will be confiscated.
4. Students are to remain in the designated areas and be aware of what is going on down front.
5. Stand cheers will not be played unless rehearsed and approved by the director.
6. No gum chewing or inappropriate language.
7. There will be no food or drinks allowed in the area.
8. Students must stand/sit with their designated sections only.
9. Use 3rd quarter break and begin returning to the designated area 2 minutes before the 4th quarter begins.
10. All band members are expected to remain for the entire football game. Following the game, students will be released after clean-up and final remarks and instructions are given by the director.
11. Students may not leave the game early without Director prior approval.
12. No non-uniformed guests will be allowed to sit in the band section due to space limitations.
13. Be as supportive as possible, but be appropriate
14. Disrespectful behavior is grounds to be dismissed from the game and/or behavior and awarded an unexcused absence. Other disciplinary actions may follow.

Failure to do all of the above will result in the band losing their break during the next game.

B. Third Quarter Privileges

The Marching Band receives 3rd quarter off as a reward for hard work and meeting expectations. It is a privilege, not a right. This policy will continue only if the privilege is handled with maturity and band members can manage to be back in their assigned seats and ready to play on time. The Director may remove 3rd quarter off for poor behavior, tardiness, excessive absences, or other reasons as seen fit. Sometimes 3rd quarter is removed due to specific scheduling needs.

Students who lose Third Quarter Privileges may not receive items from parents or other students. They must go to the restroom with a designated chaperone. The band director reserves the right to dismiss any student who does not follow the policy.

C. Make-Up Games

There may be occasions that football games are moved due to inclement weather. Students are expected to attend all make-up games.

6. Travel Policies

Traveling is the best way to become exposed to bands from other areas, whether locally, regionally, or nationally. This is a learning experience of great value. It is imperative that students represent themselves and our school to the highest degree.

A. Itineraries and Times

Itineraries are emailed and posted by the Monday prior the trip. Please understand that that trip itinerary times may fluctuate due to unexpected conditions and are at best just estimates.

B. Trip Expectations and Policies

1. Drinking alcoholic beverages and/or abusing non-prescription/illegal drugs will not be tolerated and lead to immediate dismissal and school disciplinary actions.
2. Smoking, chewing, and dipping tobacco will not be tolerated.
3. Radio/tape/disc players are only permitted on the buses if headphones are used. Please remember that many times the buses are not secured, and you are taking a risk that someone may steal your equipment.
4. Food or drinks will only be allowed if everyone uses the trash bags that will be located on each bus. This privilege will be taken away if people throw trash on the floor.
5. No hanging out of or talking out of bus windows.
6. All trash must be thrown away.
7. Only use the front, side door of the bus. Emergency exits are for emergencies!
8. School dress codes always apply.
9. Be respectful to drivers and chaperones.
10. All band members are required to ride the bus to the band performances and competitions. Parents may sign waivers to take their students back home.
11. Female and male students may not share the same seat.
12. Buses should be cleaned prior to exiting the bus when arriving back at school.
13. Students are expected to clean-up after themselves at any restaurant stop.
14. No public displays of affection.
 - a. Student's head and hands must be visible at all times.
 - b. Blankets may only cover one person at a time.
 - c. All school rules apply to showing affection, i.e., no kissing, no petting.
 - d. Students may not put their arms around each other in the bus seat.
 - A. Students in violation of the PDA policy will be moved to the first five seats of the bus for the remainder of that trip. All other trips they must sit in the first five seats of the bus.
 - B. After the second violation the students will no longer be allowed to sit together for the remainder of the year. Both sets of parents will be notified, and a school discipline referral will be filled out.
15. All CCS and NBHS rules and policies will be in place during any trips.

C. Overnight Trips

In addition to the above policies:

1. Students may not visit rooms after hours. Opposite sexes may not be in each other's rooms.
2. No instruments should be played indoors.
3. Parents and students will be responsible for paying for any incurred charges, including lost room keys.
4. Rooms are to be locked at all times.
5. Under no circumstance will students be permitted to leave hotel buildings, except with the entire group. Failure to follow this will lead to severe band and school disciplinary actions.

D. Violations

Regarding trips, Be at the Right Place, at the Right Time, with the Right Equipment. All CCS, NBHS, and Band policies apply 24 hours of each day that you are traveling. Students whose behavior and/or dismissal of the policies at hand will be subject to dismissal from the band and if necessary, sent home immediately. Administration will be made aware of any major infractions immediately and parents risk transporting students from the destination to home.

7. Competitions

Competitions are special events where we get to perform for a sophisticated audience and very competent judges. WE ARE THERE TO DO OUR BEST! If we do our best, then everything will take care of itself. The only thing we have control of is ourselves. Specific information is given prior to competitions as to directions, departure and anticipated return time. All parents are encouraged to attend competitions and support the band.

8. After Performance/Trip Pick-Up

Students are encouraged to call home at least 30 minutes prior to the end of a game or arriving home. Students may use the band phone to call following a trip if needed. In order to be respectful to the band staff, we ask that parents, come immediately when called. Numerous incidences of excessively late pick-ups may be grounds from trip participation.

Concert Bands

The term concert band program includes the following ensembles: Fall Concert Band, Symphonic Band, Wind Ensemble). Marching Band becomes a de facto concert band in the late fall. Therefore, all rules will apply to this ensemble as well.

1. Concert attire

A. Fall Concert Band

- **Ladies:** Black blouse or black dress pants. Black flat dress shoes.
- **Gentlemen:** Black dress shirt, black tie, and black dress pants. Black socks and dress pants.

B Symphonic Band, Wind Ensemble, and Jazz Band

In the concert seasons, formal wear will be purchased. Students are responsible for the cost and it is theirs to keep. The average cost is \$80.00-89.00, but this price changes depending on the year.

- **Ladies:** Black dress or concert black TBD. You will need to provide your own black flat dress shoes.
- **Gentlemen:** Black tuxedo, black bow tie, black cummerbund, white tuxedo shirt. You will need to provide your own black socks and black dress shoes.

2. Daily Procedures

- 1) Come in before the bell and immediately get your instrument and go to your seat. There is no playing at this time.
- 2) Class starts promptly 2 minutes after the bell. This is not the time that you set the instrument.
- 3) At the end of class, make sure to clean up around your section

3. Rehearsal Etiquette

- 1) Come in with a positive attitude.
- 2) Come in prepared, knowing the music.
- 3) Mark the music with a pencil after the director makes a comment about a specific section-the first time.
- 4) Raise your hand to speak or ask to go to the restroom.
- 5) Do not talk or pack up unless asked to do so.

4. Chair Placement Tests

Students will audition for chair and/or ensembles placements by playing an audition excerpt and/or the NCBA all-District scales for their grade level. This includes the chromatic scale on that sheet.

5. Practice Expectations

Many students struggle with how to efficiently practice. The following is a sample of a solid practice routine (from Lassiter HS, GA)

I. Prepare to Practice: 5 min

Practice in a room where you won't be disturbed (no TV, computer, radio, little brothers or sisters, etc.) Have the following out and ready to use: straight backed chair, music stand, metronome, music, mirror & pencil on stand, instrument and accessories (reeds, spray bottle, oil, etc.)

Students are required to be enrolled in band and chorus, maintain an appropriate grade-point average, and be an active participant in the organization. To be a member a student must go through an application process. This is done once a year, in the spring.

The New Bern Band Club, Inc

The role of the band boosters is to raise money and to provide materials and services necessary for a highly competitive band program. Their services include chaperoning trips, organizing and fitting the uniforms, sewing flags, building props, driving buses and equipment vehicles, solving logistical problems, providing financial support through fund raising activities, and numerous other major and minor tasks.

This organization is not one that makes policy, disciplines students, or decides expenditures. That is the role of the band director, school principal and the school system's administration. Much of what we do would not be possible without your support and the tremendous work by the band boosters! All parents are invited to become members of the Band Club. Meetings are held on the **1st Tuesday** of each school month beginning in August. Everyone in attendance will be asked to volunteer for committees.

Booster Jobs

A. Chaperones

The Chaperones are responsible for the safety of the band students. Several committee chairpersons coordinate the many individuals who volunteer to chaperone for numerous events. Any time the band is together outside of school hours, the Chaperone Committee is active. This includes practices and performances. Chaperones ensure that every student is accounted for when traveling, that water is available when needed, that first-aid is administered, if necessary, and to help band members with a variety of needs should they be required to do so.

B. Equipment

The Equipment Crew ensures that all band equipment is at the right place at the right time. In addition to moving equipment, the pit crew build and repair much of the props and equipment used by the band.

C. Guard Activities

Serves as liaison between the Guard Director and Band Booster Association. Assists directors in seeing that the needs of the Guard are met. This includes helping with costumes, flags, and prop development.

D. Publicity & Public Relations

The Publicity and Public Relations Committee maintains, and controls contact, with various mass media professionals to keep the New Bern community informed of the band's activities and accomplishments.

E. Uniform

The Uniform Committee has the responsibility of ensuring that each band member has the correct uniform and for the general maintenance of the uniforms throughout the seasons. This committee facilitates the cleaning of the uniforms and the ordering of uniform parts and accessories. During the marching season, the Uniform Committee is on hand for last-minute emergencies.

F. Ways & Means

The Ways & Means Committee plays a critical role in the financial well-being of the NBBC. They are responsible for coordinating the fund-raising activities required to meet the annual budget. Even if you are not a member of this committee, your assistance is crucial for the various activities throughout the year.

Additional positions will be created as needed.
